

COMING SOON

Contactless Debit Cards

On **February 12, 2024**, debit card users will begin to receive new VISA® debit cards in the mail.

On **March 4, 2024**, new VISA® cards will be available for activation. Customers will need to add the new card to their digital wallet.

Customers should keep using the Shazam Mastercard® until March 4, 2024, when the new VISA® debit cards can be activated.

CONTACTLESS

Checking out just got easier and safer.

Centennial Bank's VISA® debit card offers the latest contactless technology, making every transaction easier and safer.

Follow these three simple steps to get started:

1. **Look** - Locate the contactless symbol at local merchants
2. **Tap** - Tap the contactless card on the terminal
3. **Go** - Payments are completed in seconds

CardHub

A better card experience with greater control over debit cards. Set limits, receive transaction alerts, track spending, and more!

Instant Issue Debit Cards

If your card is lost or stolen, no worries! Drop by your local branch and instantly pick up a replacement card.

Card Swap

Updating payment information for streaming, shopping, and other online services can be time consuming and frustrating. With Card Swap, card information can be updated for popular service providers in one place, at the same time!

Where do you want to update your payment information?
